REDMOND COMPASS

BACK

ITEM	Co-branded seed card — ties/tapes to a plain brown packet. Steppe × Redmond Compass launch giveaway.
CARD SIZE	2.75 × 4.5 in, double-sided, square corners
BLEED	0.125 in all edges (terracotta band bleeds off).
BACKGROUND	None — ink direct on bare stock, no flood/wash.
HOLE	One 3/16 in (≈5 mm) drilled hole, centered, 1/3 in from top — for twine tie. Or skip hole and tape to packet.
STOCK	Cougar Natural, uncoated — match card/bookmark run. COVER weight here (a card, not a fold). 80–100 lb cover.
INK	CMYK both sides. No coating. Fine text 100K.
MARKS	Attaches to a plain brown kraft coin/seed envelope (supply separately). Print this many-up.
SEAL / COMPASS	Steppe seal FINAL (vector). Compass mark = FPO; swap for Redmond Compass official logo + confirm brand color.
QR CODES	Two live codes, black ink direct on stock (no box). LEFT = JOIN, www.steppe.community/join . RIGHT = REDMOND COMPASS (their Community Market Leader link; matches their own QR). Both verified to decode — still scan-test off the physical print before the run.
SEED	Great Basin Wildflower Mix, lot GB-2504. Reprint the lot line only if the lot changes.
